TO WHOM IT MAY CONCERN – TESTIMONIAL

MR KYLE SKIPWORTH – POWER SOLUTIONS TAS

In my role as Project Manager for Oliver Kelly Group, I have had pleasure of witnessing the successful completion of Marys Hope Rd 26 Unit development, Civil works and the 15 George St Granton 13 Unit development and civil works.

Kyle and the Power Solutions team were able to deliver the project in a very tight time frame. He was extremely flexible and professional in his approach to a project which was very demanding due to the design, complexity, differing functions of the site and project build and short construction time frame.

Kyle and the Power Solutions Team continues to provide excellent support to the project throughout the defects liability period ensuring the prompt rectification of all defects and has maintained constant communication with Oliver Kelly Group to ensure we are aware of the status at all times.

If you require any further information, please contact the undersigned on 6423588

Yours faithfully

Matthew Kelly
