Testimonial for Power Solutions Tasmania – Kyle Skipworth

In June of 2017 Pontville Homes Pty Ltd, were looking for a reliable electrical contractor. Kyle was recommended, he had just started his business, Power Solutions Tasmania.

After a short time, Kyle's, Power Solutions Tasmania were doing all the electrical work for Pontville Homes Pty Ltd.

In the past five years, Kyle and his Company have never been late to a job and have always completed their work in a professional and timely manner.

With his commitment to detail and his work ethic, we knew it would not be long before he grew his business.

Power Solution Tasmania have completed over 165 jobs for Pontville Homes, from small renovations to large unit complexes.

Kyle has an expansive knowledge of the electrical business.

The Company has grown from a single employee, to now, employing eight electricians.

Kyle, through Power Solutions Tasmania, is actively employing apprentices, as the Company believes the future for a strong trade business is to train people today.

His Company motto should be 'We will never be late, and we will never let you down'
