

To whom it may concern,

Power Solutions Tasmania (PST) is a small electrical business in Southern Tasmania, contracted and supported by Vos Construction.

On every occasion Vos Construction has contracted PST, our expectations have been met with reliable, professional, and timely service.

The commitment to detail and high-work ethic of the PST team is evident in the high-quality services they have provided.

Director Kyle Skipworth has an unwavering level of dedication and integrity, and honest and constructive communication skills.

I would have no hesitation in working with Power Solutions Tasmania on any future project and recommending Kyle and his team to prospective clients.

Yours Faithfully,
Vos Construction & Joinery Pty Ltd

Andrew McConnell
Project Manager
